## Mark 10.2-16

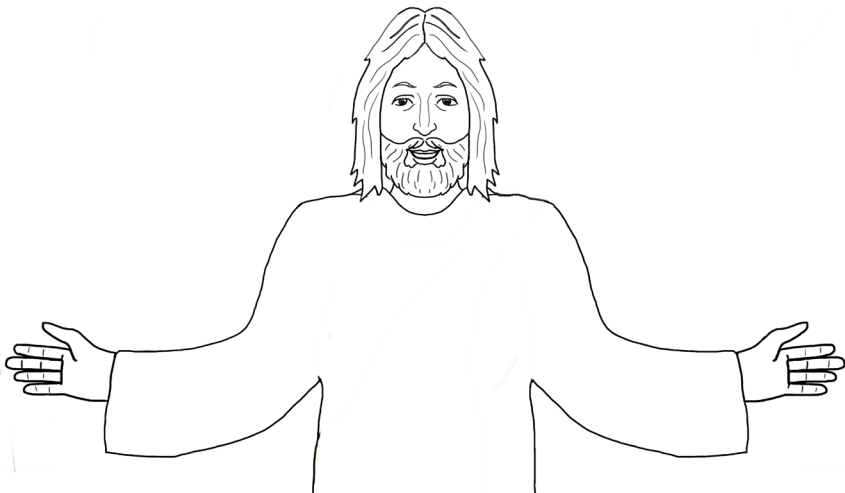

Jesus says, 'Come to me' and welcomes everyone to be with him.

Jesus draws children close to him.

Draw the things that you would want to bring to God – you, your family and friends, animals, etc.

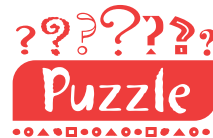

Write a list of things that matter to God in relation to:

You

Where you live

The world

All these things matter to God. Pray about them this week.

The disciples didn't understand what was important. Children matter to God, help this child get to Jesus.
